Kansas City Metropolitan Bar Association Selects CommWorld Of Kansas City To Join Their Affinity Partnership Program

CommWorld Becomes the Preferred Telecommunications Provider for Law Firms

KANSAS CITY, MO — March 31, 2004 — CommWorld of Kansas City, a leading telecommunications provider, announced today that it was selected by the Kansas City Metropolitan Bar Association (KCMBA), an organization of the area's top law firms, to join their Affinity Partnership Program. The Affinity Partnership Program is designed to extend monetary savings and a broad range of benefits from a variety of products and services to KCMBA's 5,000 members. By participating in this exclusive program, CommWorld of Kansas City becomes the association's preferred telecommunications provider for its law firms.

"CommWorld of Kansas City installed our latest telecommunications system and we were so impressed with their service and professionalism that we suggested their proposal as an Affinity Partner," said Rae Jean McCall, executive director of KCMBA. "Our staff quickly realized that the entire legal community would greatly benefit from their services and technical expertise. After a rigorous proposal process we officially accepted CommWorld of Kansas City into the program on March 1, 2004."

CommWorld of Kansas City will provide KCMBA members with new Toshiba telephone systems and Toshiba voice processing systems at a discounted rate. Additionally, CommWorld of Kansas City has a wide selection of technology solutions that law firms can tap into anytime to satisfy their needs. Some of these

items include local/long distance service, Internet connectivity, web conferencing, teleconferencing, call accounting, and voice over IP (VoIP). In return, CommWorld receives increased marketing opportunities, added credibility from servicing such a prominent association, and enhanced visibility in the legal profession.

"Throughout our 22 year history, we have had the great pleasure of servicing the legal community," stated Bob Bennett, president of CommWorld of Kansas City. "We're excited about our new relationship with KCMBA and the opportunity to help law firms increase their profitability and give them a competitive advantage with our telecommunications solutions."

About The Kansas City Metropolitan Bar Association

The Kansas City Metropolitan Bar Association serves approximately 5,000 members in the nine-county Kansas City metro area: Johnson and Wyandotte counties in Kansas and Cass, Clay, Jackson, Johnson, Lafayette, Platte and Ray counties in Missouri. The KCMBA's purpose is to promote the legal education of its members, the profession and the public by promoting legal science; by promoting the efficient administration of justice; by maintaining the highest standard of integrity, honor and courtesy in the legal profession; by exerting an influence for community improvement; and by cultivating fellowship among its members.

About CommWorld of Kansas City

CommWorld of Kansas City has been providing superior business telephone system products and services to the Kansas City area since 1981. CommWorld specializes in the most reliable, high quality telecommunications products from the leaders in technology -- Toshiba, ESI, Samsung and Comdial to name a few. Bennett stated, "Customers no longer need to be frustrated with multiple contacts. Our 'one point of contact' concept means your business can come to CommWorld for full service IP connectivity, converged systems, local/long distance service, Web site provision, audio/video conference service/equipment, voice processing and more. With CommWorld you get the best of the best." CommWorld of Kansas City is located at 6200 Main Street in Grandview, MO. For more information, call (816) 763-1100 or visit www.commworld-kc.com.
