## **COMMWORLD Receives Telecommunication Industry's Top Award**

*Technology Assurance Group (TAG)  
Selects COMMWORLD as its Elite  
Telecommunication Company at the  
2006 TAG National Convention*

KANSAS CITY, MO — March 30, 2006 — **COMMWORLD**, a leading telecommunications provider, announced today that the company received one of Technology Assurance Group's top awards at the association's 2006 National Convention held in San Diego in March. Technology Assurance Group (TAG), a national organization of independently owned telecommunication companies representing over \$300 million in products and services, selected **COMMWORLD** as the winner of the "Outstanding Participation Award" for their rapid adoption and implementation of advanced business strategies. **COMMWORLD** was highlighted as one of the nation's leading telecommunications companies during a prestigious awards ceremony.

The distinguished award is based on a member's ability to execute strategies resulting in improved customer satisfaction and the facilitation of cost effective and state-of-the-art telecommunications solutions to their customer base. "**COMMWORLD** surpassed all of the member companies in the TAG organization with their active involvement and participation in valuable business training programs," said Dale Johnson, president of Technology Assurance Group. "By deploying many of our key strategies the company helped their customers embrace cutting edge technology and as a result businesses of all sizes received a competitive advantage and improved profitability."

Bob and Linda Bennett of **COMMWORLD** accepted the award for the company. "This award symbolizes our dedication and commitment to quality customer service and our efforts to stay at the forefront of a rapidly changing industry," said Mr. Bennett. "The unending support we receive through our membership at TAG has enabled our organization to both learn and properly execute better business practices. TAG has helped us become a more successful organization and this has a direct correlation with the high satisfaction ratings we've received from our valuable customers. **COMMWORLD** is also fortunate to have a team of professionals that are willing to implement new business strategies. We're thrilled with last year's performance and we're striving to exceed these accomplishments in 2006."

**COMMWORLD** offers businesses a variety of communication solutions including telephone systems, local/long distance service, Internet connectivity, web conferencing, teleconferencing, call accounting, and Voice over IP (VoIP). The company's mission is to serve the business community with tools that make organizations run more efficiently, increase their profitability and give them a competitive edge in their marketplace.
