COMMWORLD of Kansas City achieves status of Toshiba Convergence Accredited Dealer

KANSAS CITY, MO - February 2008 - COMMWORLD of Kansas City, a leading interconnect company providing telecommunications equipment and services for the business community, has announced that the company achieved the status of Toshiba Convergence Accredited Dealer. This honor is accompanied by a plaque and a letter of congratulations from Brian Metherell, Vice President and General Manager of Toshiba America Information Systems, Inc., Telecommunication Systems Division.

According to Mr. Metherell, this award distinguishes COMMWORLD as having “expert-level expertise in the converged Data/Telephony marketplace.” As a Toshiba Convergence Accredited Dealer, COMMWORLD of Kansas City will be the first to be considered for beta test / field trial of Toshiba’s new products. Because of the advanced level of COMMWORLD’s technical staff, they will also have priority access to Toshiba’s Technical Support.

“We are very proud of our Technical staff members for achieving this distinction,” stated Bob Bennett, president of COMMWORLD of Kansas City. “This award comes after much training, study and years of experience. It verifies that our Technical staff is the best in the area. We are honored to add this award to the many others we have earned over the years.”
