P.S. You know the definition of insanity. It's when you keep doing the same things over and over and expect a different outcome. Don't miss the opportunity to learn the steps to take to make 2009 the best!

Special Guest Presenter

Mr. Adrian Ulsh

Marketing Genius!

If you want your business to do better in 2009 than in 2008, you must change what you've been thinking and doing. You may not be able to control the economy, but there are proven, specific steps to create a Mindset for Success, to Attract More Clients and increase your revenues.

OneCoach specializes in helping small business owners achieve total clarity on where they want to go, and then showing them how to take the right steps in the right order to get there. You're invited to learn how at a complimentary **Success Strategies Seminar**.

Why should you attend?

You'll gain valuable perspective when you take time to work on your business instead of working in it. You'll also:

- Gain practical ideas and hands-on methods that will grow your business
- Learn how to identify your ideal client, and acquire more of them
- Zero in on what makes your product or service unique, and learn how to use that advantage in your marketing

OneCoach has already helped more than 4,000 businesses around the world achieve better results, and we're eager to share successful techniques that you can apply to your daily and long-term business operations.
